

## Resources for Children

These are resources on how to help children adjust and adapt when a parent or grandparent has dementia. In some cases, working with a counselor or psychologist is important in helping children to cope successfully.

Website	Description
<a href="http://lifeandminds.ca/whendementiaisinthehouse/ts_home.html">http://lifeandminds.ca/whendementiaisinthehouse/ts_home.html</a>	This site has information for both parents and teenagers on ways to cope when a parent has dementia.
<a href="https://www.caregiver.org/grandma-doesnt-remember-me">https://www.caregiver.org/grandma-doesnt-remember-me</a>	This is a handout about grandparents and dealing with memory loss.
<a href="http://alz.org/living_with_alzheimers_just_for_kids_and_teen.asp">http://alz.org/living_with_alzheimers_just_for_kids_and_teen.asp</a>	Educational material and videos from the Alzheimer's Association.
<a href="http://www.hbo.com/alzheimers/grandpa-do-you-know-who-i-am.html">http://www.hbo.com/alzheimers/grandpa-do-you-know-who-i-am.html</a>	This video shows interviews with children ages 6–15 about their experiences with having a grandparent with dementia.
